WEST CHESTER, Pa. - West Chester University's women's gymnastics program volunteered at the third annual Pink Invitational on Sunday, Feb. 27. The gymnastics meet was a three-day event, culminating with Sunday's festivities.

Unite for HER, partnering with AJS Pancott Gymnastics NTC, is proud to provide a gymnastics event where you will find a spirit of cooperation, commitment, unity and joy as gymnasts compete to help others in need. And the funds we raise together will have a significant and lasting impact for so many by supporting the programs and initiatives of Unite for HER. In the last two years, the collaborative efforts of our local and gymnastics communities have helped raise over \$200,000 for women with breast cancer and their families.

Unite for HER was founded by former West Chester University gymnast and breast cancer survivor, Sue Weldon, who is also the president and event founder.

At the third annual Pink Invitational, we will come together with a central mission — to find fun and meaningful ways to educate girls and young women about the benefits of healthy lifestyle choices, organic products, good nutrition, regular physical activity and breast health, as well as raise awareness and funds for those affected by breast cancer.
