

Important Notice Regarding Leotard Distribution:

We are doing leo distribution differently this year. In order to alleviate bottlenecks in registration and leo pickup, EACH GYM SHOULD DESIGNATE ONE REPRESENTATIVE FROM YOUR GYM TO PICK UP LEOS ONE HOUR BEFORE (NO EARLIER) OPEN STRETCH FOR ALL GIRLS FROM YOUR GYM IN EACH SESSION. Leos will be organized by gym within each session. This representative will pick up all leos for the session and get them distributed to your girls. This person will need to sign for the leos at the time of pickup. There are plenty bathrooms nearby, so changing should not be an issue. Please make sure your gymnasts are at the venue in time to get their leos, get changed, and on the floor in time for open stretch.

Please make sure all gymnasts, parents and coaches check the Pink Invitational website the day they are competing for any last minute schedule changes.
